

Tajikistan is a new exciting tourism destination. It is a mountainous country with a well-preserved nature and many lakes such as the Iskanderkul, the Haft Kul, the Sarez and others. The Pamir Highway and the Silk Road are known worldwide and, as part of the old and new Silk Road, Tajikistan has a unique cultural heritage. Authentic, unexplored natural resources

combined with the overwhelming hospitality of the Tajik people, the breath-taking Tajik mountains and landscapes are waiting to be explored.

Embassy of Tajikistan in Japan is organizing promotion seminar on Tourism Potential of Tajikistan. Tour Operators and Travel Agencies cordially invited to join the seminar.
